

FOOD SUPPLEMENT FOR MEMORY, CONCENTRATION AND MENTAL WELL-BEING

INNBIOTEC
PHARMA

WITH GLUTATHIONE AND OLEUROPEIN

EUVITASE Memory is a food supplement containing Glutathione, Oleuropein, N-Acetylcysteine, Bacopa, Clitoria, Withania, Black Pepper and Vitamins, formulated to support the normal metabolic and functional balance of the central and peripheral nervous system.

It contains Glutathione, a natural peptide that acts as the body's main antioxidant defence.

Glutathione plays an essential role in the metabolism of the Central Nervous System (CNS) and its functions.

It also contains Oleuropein, the main polyphenol of the olive tree, with strong antioxidant properties that promote metabolic homeostasis, and other plant extracts with nootropic (psychoactive, able to improve cognitive performance) action.

ACTIVE INGREDIENTS

- Glutathione: it is the most important antioxidant at the cellular level
- Bacopa monnieri: promotes memory and cognitive functions, relaxation and mental well-being
- N-Acetylcysteine: antioxidant properties helps prevent premature aging of cells
- Oleuropein: has antioxidant properties, helps prevent premature aging of cells
- Withania: tonic and energizing properties for physical and mental well-being
- Clitoria ternatea: Memory and cognitive functions. Relaxation and mental well-being
- Pepe Nero: Antiseptic properties
- Vitamin E: contributes to the protection of cells from oxidative stress
- Vitamin B6 : contributes to normal energy metabolism, nervous system function and
- normal psychological function
- Vitamin D: contributes to the normal absorption/utilization of calcium and phosphorus

Euvitase Memory has a perfectly balanced composition to help you regain energy and mental well-being

Bacopa Monnieri	200 mg	Promotes memory and cognitive functions, relaxation and mental well-being
Olive d.e.	160 mg	Anti-inflammatory, antioxidant and antimicrobial properties
N-Acetylcysteine	160 mg	Antioxidant properties, helps prevent premature ageing of cells
Glutathione	100 mg	Most important antioxidant at cellular level
Clitroy d. e.	100 mg	Counteracts cellular ageing, relieves stress and provides calm and serenity
Whitania d.e.	60 mg	Tonic and energising properties for physical and mental wellbeing
Vitamin E	18 mg	Protect cell membranes from oxidative damage and promote cell renewal
Vitamin B12	10 mcg	Contributes to normal energy metabolism
Black pepper d.e.	6 mg	Antiseptic properties
Vitamin D	10 mcg	Contributes to normal absorption/utilisation of calcium and phosphorus
Vitamin B6	3,3 mg	Contributes to the functioning of the nervous system and normal psychological function

<i>Pack</i>	60 capsules
<i>How to use</i>	One or two capsules per day are recommended, taken at mealtimes.
<i>Warnings</i>	Food supplements are not intended as a substitute for a varied diet. Do not exceed the recommended daily dose. Do not give to children under three years of age. Do not use during pregnancy and lactation.

Promotes memory
and concentration

Counteracts tiredness
and fatigue

Anti-stress and
anti-ageing action

Ingredients: Bacopa herb extr. sec. (*Bacopa monnieri* (L.) Wettst.) tit. 20% Bacosides, Hydroxypropyl methyl cellulose, Olive leaf extr. sec. (*Olea europaea* L.) tit. 40% Oleuropein, N-Acetylcysteine, Bulking agent: Microcrystalline cellulose; Reduced glutathione, Clitoria seed extr. sec. (*Clitoria ternatea* L.) Withania root extr. sec. (*Whitania somnifera* (L.) Dunal) tit. 10% Withanosides, Soy lecithin, Vitamin E (d,l-alpha-tocopherylacetate), Anti-caking agent: magnesium salts of fatty acids; Vitamin B12 (Cyanocobalamin), Black pepper fruit extract sec (*Piper nigrum* L.) tit. 50% Piperine, Vitamin D (Cholecalciferol), Vitamin B6, (Pyridoxine hydrochloride).
