RENOVASE SPOT

Anti-spot Intense Serum

RENOVASE SPOT Intense Anti-Aging Serum

- ✓ Removes skin blemishes
- ✓ Prevents future blemishes
- ✓ Anti-inflammatory action
- ✓ Gives the skin an even colour
- ✓ With Renovase®, patented active ingredient with Glutathione and Omega 3

The indispensable ally for combating dark spots caused by ageing and exposure to sunlight thanks to the action of Renovase® and Hyaluronic Acid. The two fundamental ingredients of Renovase®, Glutathione and Omega 3 combat oxidative stress, responsible for hyperpigmentation and a dull complexion, by eliminating free radicals and performing the depigmenting action that inhibits melanin production with visible results after 6 weeks.*

**Use tests carried out under dermatological supervision on 21 participants for 84 days of twice-daily application have demonstrated its efficacy and skin tolerability.*

DERMAiNN

INNBIOTEC

Pack

30 mL in an elegant glass vial with airless dispenser specially designed to deliver the correct amount of serum.

How to use

For best results, we recommend applying Renovase Spot® to the areas to be treated (such as the face, neck, décolleté and hands) twice a day, avoiding the eye area. It is advisable, at least once a week, to precede the application with a purifying treatment using the Renovase Mask® glycolic mask. This serum can also be used for long periods.

Ingredients

Aqua [Water] (Eau), Propylene glycol, Alcohol denat., Sodium stearoyl lactylate, Cetareth-20, Dimethicone, Hydrogenated polyisobutene, S-Arachidonoyl/Linolenoyl/Linoleoyl Glutathione, Ethylhexyl methoxycinnamate, Tocopheryl acetate, Glyceryl stearate, Sodium hyaluronate, Glyceryl linoleate, Glyceryl linolenate, Retinyl palmitate, Sodium ascorbyl phosphate, Tocopherol, Ascorbyl palmitate, Aloe barbadensis leaf extract (*), Centaurea cyanus flower extract (*), Malva sylvestris (Mallow) flower/leaf extract (*), Vitis vinifera (Grape) leaf extract (*), Camellia sinensis leaf extract (*), Althaea officinalis root extract (*), Lecithin, Phenoxyethanol, Glycerin, Sodium benzoate, Sodium dehydroacetate, Potassium sorbate, Sodium polyacrylate, Parfum [Fragrance], Lactic acid, Sorbitol, Sodium phytate, Citric acid, Xanthan gum.*Da Agricoltura Biologica *From Organic Agriculture
