BIOTRIKOS SCALP Scalp purifying scrub

- ✓ Deeply purifies the scalp
- ✓ Removes accumulations of impurities such as sebum and dandruff with scalp's 'new skin' effect
- ✓ With Renovase®, patented active ingredient with Glutathione and Omega 3
- ✓ With Oleurpein

Formulated to cleanse and purify the scalp in depth. Thanks to Oleuropein, it calms irritation and rebalances sebum production, the source of dandruff. The Renovase® molecule, with high antioxidant activity, and Omega 3 nourish and fortify the scalp.

The microgranules guarantee mechanical exfoliation, freeing the pores, facilitating correct oxygenation of the bulbs and the growth of healthy, strong hair.

How to use

After moistening the hair, apply the desired amount to the scalp and gently massage in, working the microgranules contained in the scrub. Leave on for 5 minutes and then rinse thoroughly. Ideal as a pre-treatment to Biotrikos. We recommend using Renovase Shampoo and Renovase Conditioner.
