MADE IN ITALY

RENOVASE CELL body cream against cellulite blemishes

- ✓ Draining, lipid-replenishing and smoothing treatment
- ✓ Deeply stimulates lipid metabolism and restores optimal blood circulation
- ✓ With Renovase®, patented active ingredient with Glutathione and Omega 3 and Vitamin E

It helps to restore a toned and elastic appearance to the skin of areas affected by cellulite blemishes. The formulation, which contains a combination of natural active ingredients, Renovase® and Omega 3, acts profoundly by stimulating lipid metabolism in a physiological manner, favouring the restoration of optimal blood circulation and detoxification of tissues

INNBIOTEC

Pack 250 ml in a handy tube

How to use Use the product daily on thoroughly cleansed areas affected by blemishes, such as the thighs, buttocks and hips. Apply Renovase Cell from the bottom upwards with a gentle circular massage until completely absorbed. For best results use twice a day, morning and evening. Treatment cycles of 2 months are recommended.
