RENOVASE HYDRO

Anti-aging Intense Day Face Cream

RENOVASE HYDRO Intensive Anti-Ageing Face Day Cream

- ✓ Nourishes and moisturises the skin of the face, neck and décolleté
- ✓ Anti-Ageing Effect
- ✓ Excellent as a make-up base
- ✓ With Renovase®, patented active ingredient with Glutathione and Omega 3

Restructuring and moisturising anti-ageing day cream for the face. Ideal as a make-up base, it is suitable for all skin types. Formulated with Renovase® and Hyaluronic Acid, it has an intense antioxidant action, protecting against UV damage and reducing the signs of ageing. The skin regains elasticity and tone, wrinkles appear smoothed and the complexion is radiant and even. We recommend combining Renovase Hydro with Renovase Night for a perfect combination in anti-ageing treatment.

Pack

50 ml in an elegant glass jar

How to use

Apply in the morning to face, neck and décolleté, avoiding the eye contour. Encourage absorption with a light massage and circular movements.
