RENOVASE NIGHT

Regenerating Face Night Cream

Renovase Night® regenerating night cream with gradual release

- ✓ Regenerating night-time action
- ✓ Intensive anti-ageing facial treatment
- ✓ Gradual release of the active ingredient Renovase®
- ✓ With Renovase®, patented active ingredient with Glutathione and Omega 3
- ✓ With Hyaluronic Acid

Anti-ageing night cream for the face, suitable for all skin types. A formulation that acts in depth thanks to the combined action of Renovase® and Hyaluronic Acid. The skin appears regenerated and the facial features relaxed due to the intense anti-wrinkle effect. Renovase® based on Glutathione and Omega 3 stimulates cell renewal and collagen production giving the skin a compact and radiant appearance. We recommend combining Renovase Night with Renovase Hydro for a perfect combination in anti-ageing treatment.

DERMAiNN

INNBIOTEC

Pack

50 ml in an elegant glass jar

How to use

Apply in the evening to face, neck and décolleté, avoiding the eye contour. Encourage absorption with a light massage and circular movements.
