

# PROSTAINN

Dietary supplement for prostate wellbeing

## Prostainn® dietary supplement acting on prostate and urinary tract function

- ✔ Contains a mixture of plant extracts whose synergic action contributes to the maintenance of normal function and metabolism of the prostate and urinary tract
- ✔ Serenoa acts on prostate and urinary tract function

**WITH GLUTATION**

## Active ingredients

- ✔ Epilobium, Nettle and Serenoa: promote prostate function
- ✔ Serenoa repens: promotes urinary tract function and drainage of body fluids
- ✔ Vitamin D: contributes to the maintenance of normal muscle function

*Gluten- and lactose-free. Suitable for vegetarians and vegans.*

**Pack** 30 capsules

**How to use** Take 2 capsules daily, at main meals with plenty of water. It is recommended to drink at least 1.0 - 1.5 L of water during the day

**Warnings** Keep out of reach of children under three years of age. Do not exceed the recommended dose. Supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Use is not recommended in women of childbearing age and in pre-pubescent individuals of either sex.

## Nutrition table

It is a food supplement containing Epilobium, Nettle, Serenoa and Glutathione. Epilobium, Nettle and Serenoa promote prostate function. Serenoa repens promotes the drainage of body fluids and the function of the urinary tract.
