

# IMMUNO BOOST

Food supplement to strengthen the immune system's defences

**Immuno Boost® food supplement based on plant extracts - with Astragalus root for the body's natural defences**

- ✔ Formulated with Oleuropein and Glutathione
- ✔ Promotes the body's response to infections by pathogenic bacteria and viruses
- ✔ Support against seasonal viruses
- ✔ With Soya Lecithin, Astragalus, Zinc, and Vitamins C, D3, E
- ✔ Herbal food supplement for boosting the immune system

**WITH GLUTATHIONE AND OLEUROPEIN**

## Active ingredients

- ✔ *Oleuropein: stimulates carbohydrate and lipid metabolism. It restores normal blood circulation and regularises blood pressure. It is the antioxidant par excellence*
- ✔ *Astragalus root: is an adaptogenic tonic, the body's natural defence*
- ✔ *Glutathione: is the main intracellular defence against oxidative damage. Protects DNA and proteins from free radical attack*
- ✔ *Vitamin C: contributes to the maintenance of normal immune system function. Promotes normalisation of energy metabolism*
- ✔ *Vitamin D, Vitamin C and Zinc: contribute to normal immune system function*
- ✔ *Vitamin E, Vitamin C and Zinc : contribute to the protection of cells against oxidative stress*

<i>Pack</i>	30 capsules of vegetable origin
<i>Mode of use</i>	Take up to 2 capsules daily, at main meals.
<i>Warnings</i>	Food supplements are not intended as a substitute for a varied diet. Do not exceed the recommended daily dose. Do not give to children under three years of age. Do not use during pregnancy and lactation.
<i>Allergens</i>	All ingredients are declared GMO-free, gluten-free (warning: soya may give cross intolerance to gluten) and sugar-free.

## Nutrition table
